RE: MUR 7286

Dear Mr. Reiff:

On July 25, 2018, your client, Indivisible Kentucky, Inc., ("IKY") was notified that the Federal Election Commission found reason to believe that it violated 52 U.S.C. § 30104(c) and (g), provisions of the Federal Election Campaign Act of 1971, as amended, by failing to report independent expenditures and identify contributors. The Commission further voted to take no action at this time with respect to the allegation that IKY violated 52 U.S.C. § 30120 by failing to include disclaimers on solicitations on its website, and instituted an investigation of this matter. On August 24, 2018, IKY submitted a response to the Commission's reason to believe finding, and provided additional information on December 14, 2018. After considering the circumstances of the matter, the Commission determined on June 20, 2019, to take no further action and closed the file in this matter. However, the Commission cautions IKY to take steps to ensure that it complies with the reporting requirements for independent expenditures. See 52 U.S.C. § 30104(c), (g); 11 C.F.R. § 109.10.

Documents related to the case will be placed on the public record within 30 days. See Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016), effective September 1, 2016.
